IN RE: Application of Family, Inc. d/b/a C & C) ORDER GRANTING
Moving Service, 803 Main Street, Myrtle) INCREASE IN RATES
Beach, SC 29577, for a Rate Increase.) AND CHARGES

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of Family, Inc. d/b/a C & C Moving Service (C & C or the Company) for authority to increase certain rates and charges.

The Company was granted a Class E Certificate of Public Convenience and Necessity on March 16, 1993, to transport household goods between points and places in Horry and Georgetown Counties to and from points and places in South Carolina. The Company currently has an individual tariff on file with the Commission under which it has been operating since 1997.

If granted, this increase would provide additional revenues of \$15,489 and would decrease the Company's operating ratio from 94.68% to 91.23%.

We hold that the rate increase requested is just and reasonable and should be granted. We therefore approve the increase as filed.

This Order shall remain in full force and effect until further Order of the Commission.
